The easiest route to take is Hwy 14 to Eagle Lake. Turn south on County 56/598th Ave and go one long block to 216th St, Chuck's Body Shop is on this corner. Turn right (west) on 216th. Sue's house is the third on the right. After their driveway fills up with cars, please park across the road at the neighbors, The Goebels. We have permission to use their paved parking lot. They only ask that we leave space for the Eagle Lake police officer to drive through to turn around. The backyard is fully fenced and an almost complete set of agility equipment is available for use.

We look forward to seeing you there.
