2017 KCKC All Breed Show, Obedience and Rally Trials

KCKC's May show is just around the corner and if you are not planning on showing but still want to be apart of the action, please contact the show committee for information on volunteering! The help is always greatly appreciated. If you are new, don't worry, we provide on the job training! No contribution is too small, so even if you can only help for an hour we would appreciate it. Please remember that this event is a main money maker for the club and helps us fund our training center; we as a club need all of our members to pitch in and make it a smooth running experience.

Set up for the show will begin **May 24th**, if you are able, please head out to the fair grounds to help set up. Tear down for the show will commence at the end of the show on **May 27th**, the volunteers that have been at the show since Thursday will be exhausted and need your help, stick around to help take stuff down.

Show Committee: Sue Erickson (Obedience), Dawn Blaine (Conformation), Gladly Berlin (Rally)

Trailer Loading

The May show is right around the corner, and that means that the club's trailer will need to be loaded with the things needed to run the May show. Trailer loading will be held on May 15th at 6:00pm.

To sweeten the deal, Bruce Davey has graciously volunteered to bring and raffle off two bottles of wine. In order to be eligible to win a bottle, you must be present to help load the trailer. Come help out the club, as well as have a good chance to take home a bottle of Riesling.

Accomplishments

Congratulations to our club member Annie Muske and her Havanese Shama! Shama competed in her first trial, Teacup Agility, recently. Below is a photo of her and her ribbons. Big congrats!

A Note for the May Show

If you are "in charge" of something at the show, please be certain that you have (bring or make arrangements for) the things that you need or things you might need for the show. Items like chairs and tables are constantly needed. Bruce cannot supply everything that is needed for everyone, though he will try to help as much as possible. Please make sure to plan ahead, and help out by coming to the show organized.
