## KCKC ANNUAL AGILITY TRIAL 2009

To everybody who worked before, during, and after the agility trial, I would like to extend a huge Thank You. As this trial continues to grow, we as a Club have stepped up to meet the challenge. After 1278 entries (up 73 from last year) with the wet, cool weather, everybody stuck to each necessary job until the end. As I do not want to miss anybody, I will not attempt to name all the people who helped all the way from set up to completion. The only exception is to give extra thanks to Jan (and Dave) for all the work that goes into getting all of the trial secretary jobs done in order for this trial to even take place. The countless hours and sleepless nights are greatly appreciated. To everybody that worked from 1 hour to countless days, I tip my orange hat to you, Thanks.

Pete

## SEPTEMBER TRAINING CENTER CLEANING

A very special thank you to everyone who helped in some way with the cleaning of the training center during September. The advance crew pulled tape and moved equipment / crates / gates off the mats. The muscle crew moved the office furniture out, pulled one half of the mats over the other half and removed the very icky plastic barrier. The cleaning crew mopped and bailed until that half was clean and dry. Another muscle crew put down new plastic, pulled back mats, put the other half over the clean ones, and removed the other half of the very icky plastic barrier so the cleaning crew could work their magic again. Another night of putting down new plastic and moving mats to their rightful place followed. The next night the taping crew arrived and put down the new tape. Four people put the office back in it's rightful place, moved crates back in and put up the baby gates on Friday morning. Finally Friday evening, practice agility equipment was unloaded from the trailer and the competition agility equipment was loaded into the trailer.

In all there were nine different work sessions over the week with a total of 82 names on the work list – many, many of those names listed 6-8 times! To those who brought snacks, paid for the Rug Doctor, cheered the workers on we are grateful. To those of you who worked, I am thankful for each and everyone of you.

Lynn
